- Session Recordings Available Online 60 Days after Convention

SESSION TYPE DETAILS

Remember to register! Registration is required for all speakers.

- **Live Sessions**

- Presentation login information will be emailed 1 hour prior to the session start time. Each speaker will receive a unique login; please do not share this link as it is specific to your presentation.
- Speakers should log in **30 minutes prior** to the session to go over session logistics with your virtual event host:
 - Host will test speaker audio and video and go over the presentation process.
 - Host will broadcast the session, control audience microphones, introduce the session (title/speaker[s]), mention any applicable housekeeping notes, assist with monitoring live Q&A, and close the session.
 - Speakers will communicate the speaker view needed for the presentation.
 - Speakers will have the ability to share their screen and control their slide presentation.
 - Speakers and any designated team members will run the live Q&A.
 - If breakout rooms are used, speakers will provide details during this time.
 - Host will control all breakout rooms.
- Recommendations:
 - Have hardwired internet.
 - Use a headset for clear audio.
 - Have a hard copy of your presentation slides.

- **Scheduled Sessions**

- Sessions are prerecorded with the virtual event provider.
- Available times and details on how to sign up will be communicated shortly.
- Speakers should be available at least 20 minutes prior to the session through live Q&A.

- **On Demand Sessions**

- Approved file types: MP4 file recommended, no larger than 350MB; PowerPoint, PDF
- Session recording and additional documents (e.g., PowerPoints, PDFs, etc.) will be downloaded through presentation submission website.
 - Submissions will be open October 28–November 11.

- **General Recommendations for All Session Types**

- Have hardwired internet.
- Use a headset for clear audio.
- Embed video clips into your PowerPoint presentation.
- For prerecorded sessions, include proper introductions and closure; thank the audience.
- Choose a quiet environment.
- Test lighting and camera positioning prior to presentation.
- Be mindful of your background.
- Mute your microphone when not speaking.
- If your session has multiple speakers, decide speaker order and practice ahead of time.

If you have additional questions regarding technical logistics for your presentations, please email us at annual2020@ncte.org.
